

**Presentation of the Regional Economic Outlook and the study on the state hydrocarbon company to the Anjouan Regional Chamber of Commerce.**

**November 14, 2023.**

The Resident Representative presented the Regional Economic Outlook to members of the Anjouan regional chamber of commerce. The office's local economist also presented a study on the situation of state-owned companies, such as the Société Nationale des Hydrocarbures (one of the SIPs of the last Article IV mission, October 2023). The main economic players on the island took part in these presentations, which were followed by a lively and professional debate.

- **The Resident Representative with the President of the Anjouan Regional Chamber of Commerce , November 14, 2023.**

- **Presentations of the Regional Economic Outlook and the situation of state-owned enterprises to the Anjouan Regional Chamber of Commerce, November 14, 2023.**

## **IMF office meets with local authorities on the island of Anjouan**

**November 13-14, 2023.**

The office's Resident Representative and local Economist paid a courtesy call on the local authorities of the island of Anjouan from November 13 to 14. These meetings provided an opportunity to keep them informed of the country's new commitments with the IMF through the Extended Credit Facility program, as well as the conclusions of the first review/Article 4 mission which took place during the period October 18-31, 2023.

- **IMF office meeting with the Governor of the Island of Anjouan, Mr. Aniss Chamssoudine (to the left of the Resident Representative), November 14, 2023.**

- After the meeting with the Governor, the Resident Representative responded to ORTC's (Comorian Radio and Television) request for an interview, November 14, 2023.

- Meeting of the IMF office with the Anjouan Regional Tax Office , November 13, 2023.

- Meeting of the IMF office with the Regional Director of Customs in Anjouan, November 13, 2023.

**Meeting of the IMF office with the local authorities of Mohéli and civil society.**

**November 16, 2023.**

- **Meeting with the Governor of Mohéli, Mr. Said Mohamed Fazul, on November 16, 2023.** The Resident Representative and the local Economist paid a courtesy call on the Governor of Moheli. This meeting was an opportunity to introduce themselves and to keep him informed of the country's commitments with the IMF through the Extended Credit Facility program, as well as the conclusions of the first review/article IV mission which took place during the period October 18-31, 2023.

- **Meeting of the IMF office with the regional Chamber of Commerce of the island of Mohéli, November 16, 2023.** The visit to Moheli was also an opportunity to meet with the island's Chamber of Commerce and better understand the specifics of Moheli's economic activity as well as its challenges.
