There are three types of search available:

- Normal: The results will show all entries that start with the text entered in the search box.
- *Fuzzy*: The results will show entries similar or identical to the text entered in the search box. Use this option if you are unsure of the spelling.
- *Full Text*: The results will contain the text searched in any of the available fields and languages.

You can use wildcards. For example, type *Fund to find all entries that match the characters "Fund".
