¹Amount outstanding at the completion point (net of repayments between January 1, 2005, and the completion point date).

²Balances available at the time of MDRI debt relief.

³Afghanistan, Haiti, and Togo did not have MDRI-eligible credit and did not receive MDRI debt relief.

⁴Liberia received MDRI-type (beyond-HIPC) debt relief at end-June 2010, which was financed from the Liberia Administered Account. Its eligible credit outstanding corresponds to the amount of arrears clearance to the IMF in March 2008.

⁵Non-HIPCs but qualified for MDRI debt relief with a per capita income below the US\$380 threshold.
