<sup>1</sup> Countries report IIP data of varying comprehensiveness. Where these data are viewed as sufficiently comprehensive that the total assets, total liabilities, and net position are meaningful and not misleading, these aggregates are calculated and published. Otherwise, the partial IIP data are published without the aggregates.

<sup>2</sup> The cutoff date for this report is November 1, 2003.

<sup>3</sup> BOP data prior to 2002 cover Belgium-Luxembourg.

<sup>4</sup> BOP data are reported on a spreadsheet and IIP data are reported via GESMES/CB for Italy.

\* Participating in the 2002 Coordinated Portfolio Investment Survey
