

Laptop Donation, April 5, 2019

The local office of IMF in Kinshasa donated 10 laptops to **“Les Loupiots” secondary school located in Ngaliema Commune**. The IMF delegation was welcomed by the administrator and the headmaster of the school. The resident representative explained the context of the ceremony, briefly explained the role that the IMF plays in DRC and worldwide, and finally handed over ten laptops to the school officials in the presence of a few students.

The school officials expressed their gratitude to the IMF. After the ceremony, the delegation was taken for a visit of the computer lab where the students were taking a computer programming course.
