

Opening ceremony of the VAT implementation campaign in Príncipe, March 2023

I was honored to participate in the opening ceremony of the VAT (Value Added Tax) implementation campaign that the Government of São Tomé and Príncipe organized in Príncipe last week. The Prime Minister and Minister of Finance of the country as well as President of the Autonomous Region of Príncipe spoke about how VAT introduction would benefit São Tomé and Príncipe. Congratulations to the authorities of São Tomé and Príncipe on this decisive move.
