

22 March 2021

G20 DGI-2 Workshop on Recommendation II.20 “Promotion of Data Sharing”

24 and 25 March 2021

Time Zone: Central European Time (CET)

Wednesday, 24 March 2021

12.30 p.m.-1.00 p.m. Dial-in

The lines are open to dial-in. The conference starts sharply.

1:00 p.m.-1:30 p.m. Opening session

Chairs: John Verrinder (Eurostat), Robert Kirchner (Deutsche Bundesbank)

Setting the scene: the importance of data sharing, forms of data sharing

- *Welcoming and introductory speech by **Louis Marc Ducharme**, Chief Statistician and Director, Statistics Department, IMF*
- *Welcoming and introductory speech by **Mariana M. Kotzeva**, Director General of Eurostat*
- *Welcoming and introductory speech by Prof. **Claudia M. Buch**, Vice President of the Deutsche Bundesbank*

1:30 p.m.-2:30 p.m. Session 1: Overview of the most recent developments based on the G20 DGI rec. II.20 on Data Sharing in participating economies, regional and International Organisations

Chair: Yati Kurniati (Bank Indonesia)

- *Presentation by the Italian G20 Presidency – Giovanni Veronese (Banca d’Italia)*
- *Presentation on the most recent developments in the field of data sharing – John Verrinder (Eurostat), Robert Kirchner (Deutsche Bundesbank)*
- *Data sharing solutions at Statistics Canada – Steven Thomas (Statistics Canada)*

2:30 p.m.-2:45 p.m. Break

2:45 p.m.-4:00 p.m. Session 2: Progress in thematic fields supporting the sharing of micro data

Chair: Gabriel Quiros (IMF)

Contributions:

- *INEXDA work on access regimes and metadata structures for micro datasets – Juan Fernando Ávila Embriz (Banco de México)*
- *SDMX 3.0 / SDMX as a standard for micro data / data standardization in general – Bruno Tissot (Bank for International Settlements)*
- *What role for privacy-preserving computation for inter-institutional data sharing? – Fabio Ricciato (Eurostat)*

Thursday, 25 March 2021

12.30 p.m.-1.00 p.m. Dial-in

The lines are open to dial-in. The conference starts sharply.

1:00 p.m.-2:30 p.m. Session 3: International initiatives of data sharing in non-statistical areas

Chair: Silke Stapel-Weber (ECB)

Invited speakers will present their experiences in data sharing by answering the following questions:

- Motivation for data sharing: What were the most important drivers for data sharing? Who and how brought the idea forward?
- Working arrangements / system design: What data are shared and between whom? Are there any legal arrangements supporting data sharing? What technology is used? Are users satisfied with the data sharing arrangement?
- Success factors/benefits: What are the conditions for success? What are the lessons learned? Are there any developments foreseen in the future?

Contributions:

- *Enforcement Cooperation in Securities Markets: IOSCO MMoU/ EMMoU – Tajinder Singh (IOSCO)*
- *Standard for Automatic Exchange of Financial Account Information in Tax Matters – Mark Scott (OECD)*
- *Coleridge Initiative (with focus on administrative data) – Julia Lane (NYU)*
- *Sharing of sensitive health data: Two practical examples – Iris Pigeot (BIPS)*

2:30 p.m.-2:45 p.m. Break

2:45 p.m.-4:00 p.m. Session 4: Discussion on the usefulness of the international standard for microdata - Summing up and main messages to G20 Global Conference

Chair: GianMatteo Piazza (Banca d'Italia)

SDDS framework presentation – Jesus Gonzalez-Garcia (IMF)

Panel discussion: Where do we stand? What do we want to achieve? How do we get there? Would an international micro data standard help? – Alfredo Cristobal (INE), Robert Kirchner (Deutsche Bundesbank), Yati Kurniati (Bank Indonesia), Ekaterina Prokunina (Bank of Russia), Gabriel Quiros (IMF), Silke Stapel-Weber (ECB)

Concluding remarks – John Verrinder (Eurostat)

4:00 pm End of the workshop
