

Bangladesh: Statistical Appendix

This Statistical Appendix for Bangladesh was prepared by a staff team of the International Monetary Fund as background documentation for the periodic consultation with the member country. It is based on the information available at the time it was completed on June 14, 2005. The views expressed in this document are those of the staff team and do not necessarily reflect the views of the government of Bangladesh or the Executive Board of the IMF.

The policy of publication of staff reports and other documents by the IMF allows for the deletion of market-sensitive information.

To assist the IMF in evaluating the publication policy, reader comments are invited and may be sent by e-mail to publicationpolicy@imf.org.

Copies of this report are available to the public from

Table 37. Bangladesh: Summary of the Tax System as of March 2005

Tax	Nature of Tax		Current Tax Status		Rates
			Exemptions and Deduction		
A. General Government					
1. Taxes on income					
1.1 Individuals	Annual global income tax.				
	Taxable income includes employment income, income from securities, income from housing property, income from a business, profession, capital gains, agricultural income, and income from other sources.				
	Filing takes place on an individual basis.				
	Taxability is based on the residential status of the taxpayers and not on citizenship or domicile. A nonresident person is liable to income tax on income received or deemed to have been received in BGL and all income which accrued or arose or is deemed to have been accrued or arisen in Bangladesh.				
	Capital gains are taxed under the income tax law at varying rates depending on the length of time an asset is held. Only capital losses can offset capital gains.				
	Exemptions are:				
	* Any person due to, or received by, an assessee in respect of any income year in which he was in BGL for a period in all amounting to 182 days or more.				0 percent
	* Some interest; e.g., on certain government securities up to Tk 5,000, and interest from certain debentures up to Tk 20,000.				10 percent
	* Dividend income not exceeding Tk. 25,000 in case of unit certificate and mutual fund. Dividend income will be fully exempted in the hand of recipient where dividend distribution tax is payed by the company.				15 percent
	Tk 40,000 additional to threshold of Tk 100,000 for persons whose only source of income is from agriculture.				20 percent
	* Gratuities.				25 percent
	* Exemption from tax of foreign remittances through banking channel of resident Bangladeshi and Bangladeshi nationals working abroad.				
	Deductions for accommodation and cars for salaried employees of nongovernmental organizations and firms:				
	* Rent in cash to employee from employer: first Tk 10,000 per month or 50 percent of the basic salary, whichever is less;				
	* Rent-free accommodation from employer: rental value or 25 percent of basic salary;				
	* Conveyance allowance: if no conveyance provided by employer or owned or maintained by the employee, then the first Tk 12,000 allowance are exempt;				
	Investment Tax Credit at 15 percent is admissible subject to a maximum of Tk 200,000, and 20 percent of total income on the following:				
	* Contribution to deferred annuity, contribution to Provident Fund to which the Provident Fund Act 1925 applies.				
	* Self contribution to approved Superannuation Fund.				
	* Investment in approved debenture or debenture stock, stock and shares of public companies.				
	* Contribution to deposit schemes.				
	* Life insurance premium.				
	* Contribution to Zakat Fund, donation to any socio-economic or cultural development institution established in BGL by Aga Khan Development Network, rural charitable hospital, organization for retarded people, and national savings certificate.				
	* Contribution to Benevolent Fund and Group Insurance.				
Note: The maximum limit may be extended up to further Tk 25,000 in case it is invested in the primary share of companies listed with stock exchange.					
- 39 -					

Table 37 (Cont.) Bangladesh: Summary of the Tax System as of March 2005

Tax	Nature of Tax	Current Tax Status		Rates
		Exemptions and Deduction		
1.2. Companies	Tax is imposed on income of companies under a classical system of taxation. Resident companies are taxed on worldwide income. Nonresident companies are taxed on Bangladeshi income.	Minimum tax ceiling for private limited companies under self-assessment Tk 50,000 Exempt for business income are: * Income of religious and charitable institutions under certain conditions; * Incomes of cooperative societies engaged in certain businesses, particularly if derived from agricultural or rural credit, cottage industries, etc. under certain conditions. * Certain categories of income such as those from fish, duck, poultry, cattle, horticulture, etc. * Agroprocessing industry up to June 2005. * Computer software business for next three years. * Bonus shares.	Corporation tax: Type of enterprise	Margin rate in percent 45 percent
	Loss carry-forward is allowed for a maximum of 6 years.	Deductions from business income are inter alia allowed for: * Expenditure incurred wholly and exclusively for the purposes of the business; * Bad debts; * Interest payments (no ceilings); * Depreciations: There are three categories of depreciation: (i) normal depreciation (10 percent for general buildings, 20 percent for factory buildings, 20 percent for machinery); (ii) accelerated depreciation (which can only be claimed if the company is eligible for a tax holiday but chooses to forego the holiday exemptions); (iii) investment allowance (for certain vessels and for plant and machinery eligible for accelerated depreciation). * Scientific research expenses.	Banks, financial institutions, and public autonomous bodies. 15 percent "excess profits tax" imposed on banks making profit exceeding 50 percent of their capital and reserve. Additional 5 percent tax on listed companies declaring inadequate dividend.	
	Avoidance of double taxation: * In the case of residents in BGL, an ordinary credit (i.e., up to the amount calculated at the BGL tax rate) is available with respect to double taxation on income accruing or arising in a foreign country with which there is no reciprocal arrangement for the avoidance of double taxation. The credit is subject to the overall country limitation. No relief is available in respect of income which is deemed to accrue or arise in Bangladesh.	Deductions from business income are inter alia allowed for: * Expenditure incurred wholly and exclusively for the purposes of the business;	Non-publicly traded companies and local authorities.	37.5 percent
		* Bad debts; * Interest payments (no ceilings); * Depreciations: There are three categories of depreciation: (i) normal depreciation (10 percent for general buildings, 20 percent for factory buildings, 20 percent for machinery); (ii) accelerated depreciation (which can only be claimed if the company is eligible for a tax holiday but chooses to forego the holiday exemptions); (iii) investment allowance (for certain vessels and for plant and machinery eligible for accelerated depreciation). * Scientific research expenses.	Publicly traded companies.	30 percent
		Exporters have a tax rebate of 50 percent of the income from exports. Tax rebates of 5–10 percent for owners of small and cottage industries located in less developed and least developed areas on basis of production performance.	Minimum tax ceiling for private limited companies under self-assessment is Tk 50,000. 100 percent accelerated depreciation is applied for plants and machineries with environment protection purposes.	Tax rebate at the rate of 10 percent of tax payable will be allowed to the listed companies, which declares dividend of 20 percent or more.
	Inter-corporate dividends between Bangladeshi companies are chargeable at a concessionary rate of 15 percent.	All sources of income of NGOs now subject to taxation except that arising from micro-credit operations.	Capital gains tax:	15 percent, regardless of the retention period of assets.
	Tax holiday facilities available for industrial undertakings, tourist industry, and physical infrastructure facilities	Tax holiday facilities for expansion units have been withdrawn, and only separately incorporated projects will be eligible for such facility.		Reinvestment limit for companies to continue enjoying tax holiday facilities has been increased from 30 percent of profits to 40 percent.

Table 37. (Cont.) Bangladesh: Summary of the Tax System as of March 2005

Tax	Nature of Tax	Current Tax Status	
		Exemptions and Deduction	Rates
1.2. Companies (continued)	As an alternative to tax holiday 20 percent concessional corporate tax rate for newly set up industries has been introduced. Newly set up industries, depending on situation, have been given 100 percent accelerated depreciation allowance in the very first year instead of the first two years. Newly set up companies (between July 1, 2002 to June 30, 2005) that would not get tax holiday facilities will pay tax at reduced rate of 20 percent for five years. English medium schools, colleges, and universities in the private sector now subject to tax. However, medical, dental, and engineering colleges, and institutions providing education on information technology,
