

Presentation at the Principals Group meeting

On May 29, 2014, Mr. Aidyn Bibolov, IMF Resident Representative in Tajikistan, delivered a presentation on Regional and Country Macroeconomic Update to the Principals Group (a group of heads of diplomatic and international organizations representations) meeting at UN premises.

The presentation focused on the country's recent macroeconomic developments, as well as risks for the Caucasus and Central Asia Region in light of recent global and regional economic developments. Mr. Bibolov also highlighted the role and activities of the IMF and its representative office in Tajikistan. The presentation was followed by a Q&A session.
