

**Patricia C. Mosser** is Director of the MPA Program in Economic Policy Management at Columbia SIPA and leads the school's Initiative on Central Banking and Financial Policy. Previously, she was head of Research and Analysis at the Office of Financial Research, U.S. Treasury. Mosser spent over 20 years at the Federal Reserve Bank of New York where she was a senior manager at the Fed's open market desk overseeing market analysis, monetary policy implementation, crisis-related facilities, foreign exchange operations, and analysis of financial stability. She previously served as an economist and manager in the New York Fed Research Department and as an assistant professor in the Economics Department at Columbia. Mosser has written on financial stability and monetary policy topics including financial reform, crisis policy tools, cyber risks to financial stability, and the monetary transmission mechanism. She received a BA from Wellesley College, an MSc with distinction from the LSE, and a PhD in economics from MIT.
