

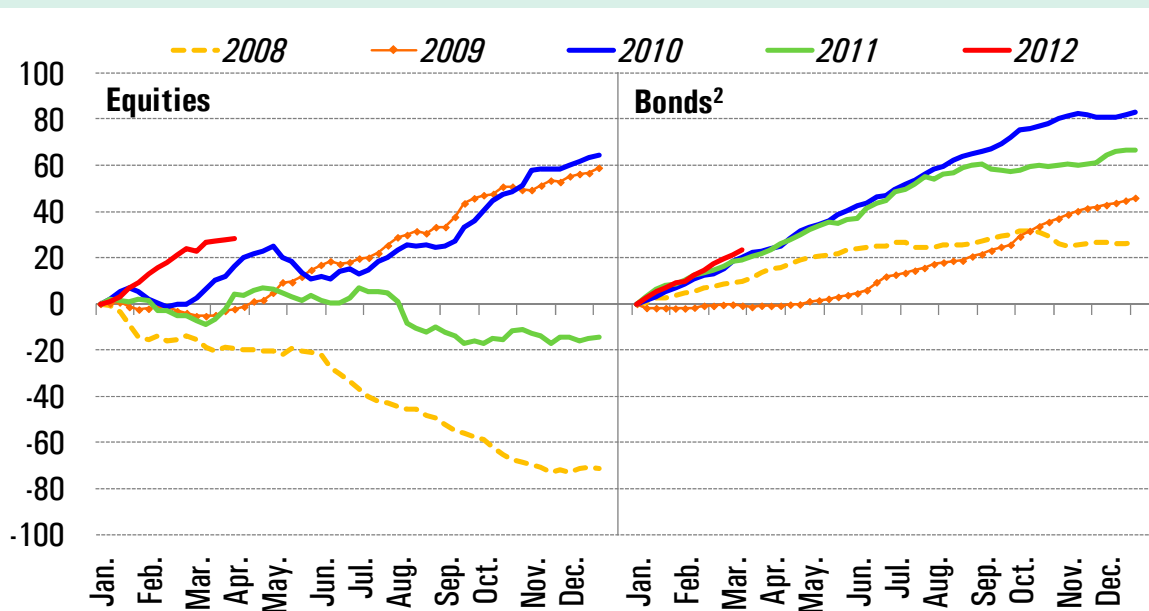

Figure 1.11. Nonresident Investment in Selected Asian Markets¹
(In billions of U.S. dollars; cumulative net flows)

Sources: Bloomberg L.P.; CEIC Data Ltd.; and IMF staff calculations.

¹ The chart aggregates data for India, Indonesia, Korea, the Philippines, Taiwan Province of China (equities only), and Thailand.

² For Indonesia, net flows into government bonds only. For Thailand, data based on net purchases concept. Aggregate data for 2008 exclude Thailand due to data constraints.
