Figure 6.17. Corporate Profitability and Productivity Growth

Corporate profitability is robust in emerging Asia and emerging Europe. However, productivity growth shows signs of slowing in the Baltics.

1 Central Europe includes Czech Republic, Hungary, Poland, and Slovak Republic.
Southeastern Europe includes Albania, Bulgaria, Croatia, Macedonia, FYR, and Romania.
Baltics are Estonia, Latvia, and Lithuania. Emerging Asia includes China, India, Indonesia, Korea, Malaysia, Pakistan, Philippines, and Thailand. Asian Tigers are Malaysia, Indonesia, Philippines, and Thailand.

2 Central Europe includes Czech Republic, Hungary, Poland, Slovak Republic, and Slovenia.
