

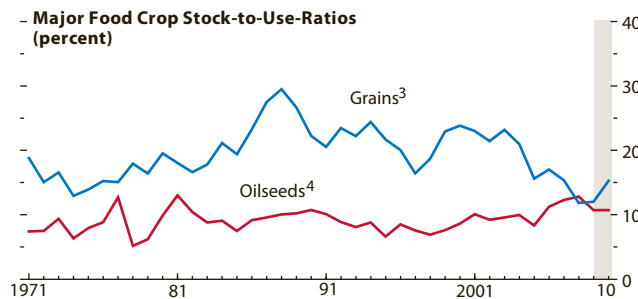

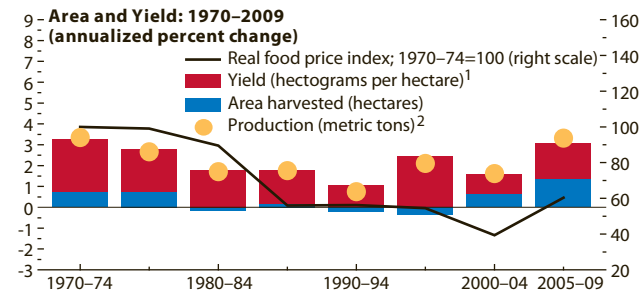

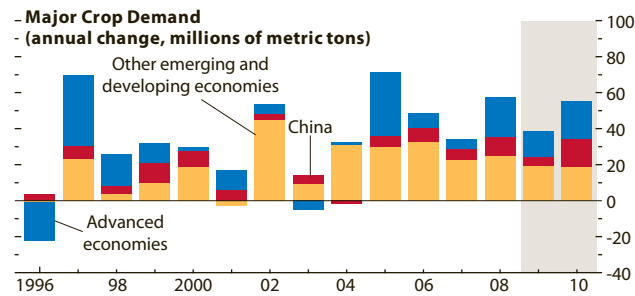

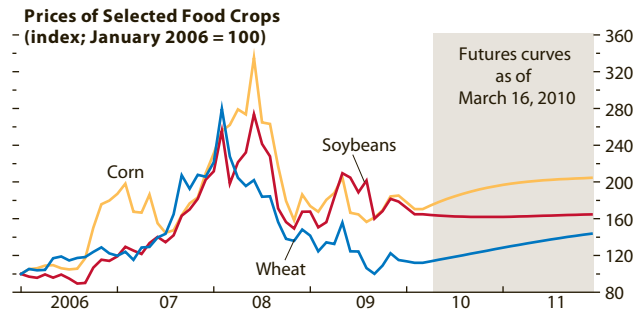

**Figure 1.21. Recent Developments in Markets for Major Food Crops**

Sources: Bloomberg Financial Markets; UN Food and Agriculture Organization; U.S. Department of Agriculture estimates; and IMF staff estimates.

<sup>1</sup> Area-weighted yield for nine grains, three oilseeds, cocoa, coffee, and sugar.

<sup>2</sup> Actual production index growth may differ slightly from the summation of yield and area growth, which provides only an approximation of production.

<sup>3</sup> Includes barley, corn, millet, rice, sorghum, rye, and wheat.

<sup>4</sup> Includes palm kernel, rapeseed, and soybean oilseeds.
