Figure 4.12. International Competition and Global Concentration

1. Final Goods Imports from China by Sector
   (Percent; share of sector output)

2. Top Four Firms’ Share in Global Sales
   Postal (0.77, 0.72)
   Information technology and other info. services
   Electrical and optical equipment
   Coke, refined petroleum
   Transport equipment
   Chemicals

3. Top Four Firms’ Share in Global Patent Families
   Coke, refined petroleum
   Food, beverage, tobacco
   Chemicals
   Electrical and optical equipment
   Transport equipment
   Information technology and other info. services
