DSA prepared). Eritrea has not published any DSA. One (St. Lucia) currently uses the MAC SR DSF. One non-PRGT eligible country (Guyana) uses the LIC DSA.

1/ As of March 31, 2026 and based on the most recently published data, 9 countries are in debt distress, 23 countries are at high risk, 27 countries are at moderate risk, and 8 countries are at low risk of debt distress. One country (Eritrea) does not have the latest DSA.

2/ Debt sustainability assessment is performed only for countries at high risk or in-debt distress.

3/ May reflect usual lags in the publication. Includes DSAs presented to the Executive Board on lapse of time basis.

4/ PRGT-eligible IDA-blend countries.

5/ Due to non-de minimis unresolved arrears to external creditors.

6/ Country is in a debt restructuring process in the context of a Fund program.
