*1/ While there is no binding minimum concessionality requirement in the absence of a Fund-supported program, concessional flows remain the most appropriate source of external finance for LICs, highlighting the need for continued efforts by the international community to improve the availability and predictability of concessional financing (PIN No. 06/136).

1/ As of January 31, 2021 and based on the most recently published data, 7 countries are in debt distress, 28 countries are at high risk, 23 countries are at moderate risk, and 11 countries are at low risk of debt distress.

2/ May reflect usual lags in the publication. Includes DSAs presented to the Executive Board on lapse of time basis.

3/ PRGT-eligible IDA-blend countries.

4/ A market-access countries (MACs) DSA has been completed and published within the past 24 months.
