Figure 2.11. United States: Funding Structure of Selected Largest Commercial and Investment Banks (in billions of U.S. dollars)

Note: Short-term funding is funding with maturity less than one year.
1Top 10 commercial banks in terms of total assets.
2Data for investment banks capture 60 percent of total investment bank assets as reported by Bankscope. For 2008 and 2009, data exclude Lehman Brothers and Bear Stearns.
