1. In March 2009, the Fund established a new Framework Administered Account to administer external financial resources for selected Fund activities (the “SFA Instrument”).¹ The financing of activities under the terms of the SFA Instrument is implemented through the establishment and operation of a subaccount within the SFA. This paper requests Executive Board approval to establish the Africa Regional Technical Assistance Center South (AFRITAC South) Subaccount (the “AFRITAC South Subaccount” or the “Subaccount”) under the terms of the SFA Instrument.
2. Management has engaged in discussions with member countries in Southern Africa as well as donors on regional needs in capacity building, training and related activities. Because AFRITACs have a proven track record to provide focused, flexible, and responsive technical assistance (TA) in a cost-effective manner,² both beneficiary countries of AFRITAC South and interested donors will support the Fund’s involvement in this regard. The center’s activities will continue to focus on the following key areas representing common policy challenges to member countries, including those related to increased regional integration: (i) tax and customs policy and administration; (ii) public financial management; (iii) debt management and financial markets development and supervision; and (iv) economic and financial statistics.
3. Contributions to AFRITAC South will be administered solely under the SFA.³ On the basis of the above, the Managing Director has established essential terms and conditions of

the Subaccount, with respect to the nature, design, and implementation of the activities to be financed from the Subaccount. These essential terms and conditions include the following:

- a. The resources of the Subaccount will consist of amounts contributed to the Subaccount by donors and beneficiary countries of AFRITAC South, (“Contributors”), and earnings that accrue as a result of the investment of these amounts (net of any costs associated with such investments). The resources of the Subaccount will be used to finance capacity building, training and related activities, consistent with the purposes of the Fund for identified beneficiaries of AFRITAC South. The beneficiaries of AFRITAC South are member countries in Southern Africa, which include Angola, Botswana, Comoros, Lesotho, Madagascar, Mauritius, Mozambique, Namibia, Seychelles, South Africa, Swaziland, Zambia, and Zimbabwe. Additional beneficiary members of AFRITAC South may be added with the consent of the Managing Director and the concurrence of the Contributors.
 - b. Each Contributor will consent to the essential terms and conditions of the Subaccount before the Managing Director may accept the Contributor’s resources into the Subaccount.
 - c. Resources will be placed in the Subaccount by each Contributor after signature of a Letter of Understanding between the Contributor and the Fund. Contributors may transfer resources from any bilateral subaccount under the SFA into the AFRITAC South Subaccount.
 - d. Contributors may join the Subaccount at any time. A Contributor’s consent to the essential terms and conditions of the Subaccount shall constitute the Contributor’s ex ante concurrence to any additional Contributor joining the Subaccount on the latter’s consent to the same essential terms and conditions.
 - e. A Contributor may withdraw from the Subaccount, and receive a retransfer of its net contributions, without precipitating the termination of the Subaccount.
 - f. To help defray the expenses incurred by the Fund in the management of the Subaccount that it will finance, reimbursement equal to 7 percent of the expenses financed from the Subaccount will be paid to the Fund from the Subaccount.
4. The essential terms and conditions of the Subaccount are consistent with the terms of the SFA Instrument, and the activities to be financed from the Subaccount are consistent with the purposes of the Fund. Accordingly, it is proposed that the Executive Board approve the establishment of the Subaccount.
